

Let Me Live

Russ

Let me get a little bit of money for the pain
To make it sunny when it rains
And once I get it you won't see me
'Cause I don't really love the game
Let me get a little bit of money for the pain
To make it sunny when it rains
And once I get it you won't see me
'Cause I don't really love the game

And it's the calm right before the storm
I sweat to God I'm dropping bombs
Sicily inside my veins, I'm feeling like the Don
You're busy falling off, I'm busy falling on

Hahaha, yeah

But fuck it once I'm on
I'm headed towards the exit
My entrance proves me wrong
I make these songs and serve my sentence
So just let me live, just let me live

Yeah, Straight From Limbo, yeah

Let me get a little bit of money for the pain
To make it sunny when it rains
And once I get it you won't see me
'Cause I don't really love the game
Let me get a little bit of money for the pain
To make it sunny when it rains
And once I get it you won't see me
'Cause I don't really love the game

Let me get a little bit of money for the pain
To make it sunny when it rains
And once I get it you won't see me
'Cause I don't really love the game
Let me get a little bit of money for the pain
To make it sunny when it rains
