

Money On Me

Russ

Yeah, yeah, yeah

I got my money on me (I do), I bet on myself (All in, all in)
I can't expect 'em to check up on me, gotta check on myself (I'm good
, I'm good)
I got my money on me (On me), watch me win in the end (Ooh, ooh, ooh)
And after that I'ma keep goin' and winnin' again and again (Ah, ah, a
h, come on)

I (Yeah), hear all the chatter but it doesn't matter
'Cause I (What?), never met someone who's fuckin' with me
No, I (Haha), been counted out since the jump, I still made it
Yeah, I (I did), got my money on me

Bet on myself, and I don't even gamble
Peep the financials, this is substantial
Skeptics in shambles, y'all got it wrong
Y'all opinions are dead, get the t-shirt and candles out
Oh, that's your girl, why she fannin' out?
Walk in, I bring all the cameras out
This isn't luck, no, I planned this out
Yeah, yeah, yeah, yeah

I got my money on me (I do), I bet on myself (All in, all in)
I can't expect 'em to check up on me, gotta check on myself (I'm good

Yeah, I (I did), got my money on me (Yeah)

Bet on myself, I don't care about chance
I'd rather be in the race than the stands
Don't give a fuck who y'all placin' y'all bets on
If this ain't a hit, then I bet it's the next song
'Cause this is arena talk, this is arena sound
Makin' a racket like bringin' Serena 'round
Head out this world, yeah, I told her she Venus bound
This is my season now, yeah, yeah

I got my money on me (I do), I bet on myself (All in, all in)
I can't expect 'em to check up on me, gotta check on myself (I'm good
