

Mario!

I walk in on 10 (Ayy), I'm gassed up
Mix that with the Hen' (Bravo, bravo), I act up
Think I say "Amen" (I'm blessed), I'm bracked up
Now, we can't be friends (No, no), just back up
I walk in on 10 (Ayy), I'm gassed up
Mix that with the Hen' (Bravo, bravo), I act up
Think I say "Amen" (I'm blessed), I'm bracked up
Now, we can't be friends (No, no), just back up

Walk in always on 10
Ain't no other way when you're the one
Made it through a lot of dead ends
Did it that's it that's done
Now I'm on a yacht, out in Turkey
Jumpin' off the edge, that's life
Last year, I can't lie, it hurt me
I bounced back, bitch, I'm fine
I'm 'bout to flash out this year (Uh)
Foot upon next, I don't care who's next
'Cause I'm goin' all out this year (Uh)
Everything's blessed, that's word to my chest
But the money didn't change my worth though
Real wealth is loving yourself
I hit the dream girl with the curve though
She's clingy

I walk in on 10 (Ayy), I'm gassed up
Mix that with the Hen' (Bravo, bravo), I act up
Think I say "Amen" (I'm blessed), I'm bracked up
Now, we can't be friends (No, no), just back up
I walk in on 10 (Ayy), I'm gassed up
Mix that with the Hen' (Bravo, bravo), I act up
Think I say "Amen" (I'm blessed), I'm bracked up
Now, we can't be friends (No, no), just back up

Yuh, ayy
I walk in on 10, I walk in off that Hen'
I walk in with that drip and now she wanna swim, oh-whoa
Let the game begin, yeah, you hella bad
But I wanna fuck your friend
I wanna beat it up, beat it up one time and free her up, ayy
Cali-hot boy, turn the heater up
Pop the beaner, [?], that bitch sneakin' up, ayy
I'm fresh of death 'til the reaper come
Livin' out all of the things I was dreaming of, ayy
Look in the mirror and know you ain't seein' us
No, bitch, no competition
Middle finger up to everybody, that's just how I'm livin'

I walk in on 10 (Ayy), I'm gassed up
Mix that with the Hen' (Bravo, bravo), I act up
Think I say "Amen" (I'm blessed), I'm bracked up
Now, we can't be friends (No, no), just back up
I walk in on 10 (Ayy), I'm gassed up
Mix that with the Hen' (Bravo, bravo), I act up

Think I say "Amen" (I'm blessed), I'm bracked up
Now, we can't be friends (No, no), just back up
