

On The Way

Russ

Heh, yeah
Please get this right real quick
Still goin'
For life, yeah

Talked to myself and the universe eavesdropped
Fresh outta faith, had to restock
Life got dramatic, made the beat stop
Had to re-read The Alchemist and Deepak
Tap back in, faded in the Bentley, tryna pack that in
Travel 'round the world like I'm back-packin'
Industry got a lot of back-scratchin'
Make these pussies wake up, they were cat-napping
Automatic win when the passion mix with the action
I'ma rock merch for the rest of my life
I don't care about abstract fashion
Last laugh in, that's what I'ma do
Shitted on me, now I'm shittin' on you
It's a natural order, crossin' borders
Tryna move towards myself, my truth, I

Running and running towards what I'm becoming
On the way, on the way, on the way, on the way
It's me I'm after, my ego seems faster
On the way, on the way, yeah-yeah-yeah, yeah-yeah-yeah
(Yeah, yeah)

Gotta pay attention to the signs and the omens
I ain't 'bout to miss my moment
Gotta lock in, tell Milan tell the press any interviews I gotta postp
one it
Thoughts too small, outgrown them
Told my girl that I don't got time to take you bowling
Gotta keep goin', stayin' in motion, J.K. Rowling
This was written, this isn't magic
I got visions, I got to have it
Takin' pictures while I'm in traffic
Gun next to me, ready to grab it
Extreme paranoia, I don't wanna get caught up
Shit's creek like Moira
I'm goin' home to enjoy a fat ass and good head
My story isn't done yet

Running and running towards what I'm becoming
On the way, on the way, on the way, on the way
It's me I'm after, my ego seems faster
On the way, on the way, yeah-yeah-yeah, yeah-yeah-yeah
