Ooh-woah-oh-oh
Ooh-woah-woah-oh

Okay

Let's go back to the time when it was alright (Alright, okay, come on)

Let's go back to the time where we would drink wine (Drink wine)

And you would go down pretty baby, with me, girl, oh, yeah
And I would go to the end of the world for you, baby girl (Hmm)

Remember when I had you (You)
And you had me (Had me)

I met you at work, you were the finest one there
Couldn't help myself, girl of course I had to stare, at you
Through my entire shift, we talked and quickly fell in love, nobody else exists
And we got in my car (Car), you love to drive around to the sunrise, Left Eye, it's nowhere to be found
Remember babe, we promised that we'd stay forever and ever (Ooh, ooh)

Remember when I had you (You)
And you had me (Had me)
Remember when I had you (You)
And you had me (Had me)

We promised that we'd never let this go (Go, oh, go, oh, woah, oh, woah, oh)
Look at us now we're strangers, oh-oh, oh-oh (Oh-oh, oh-oh)
We promised that we'd never let this go (Go, oh, go, oh, woah, oh, woah, oh)
Look at us now we're strangers, oh-oh, oh-oh (Oh-oh, oh-oh)

Remember when I had you (You)
And you had me (Had me)
Remember when I had you (You)
And you had me (Had me)
