Unless you really like that  
You know my body, I don't have time to waste, oh no

She only fuck with bosses, so my aura turn her on  
Rushing home to come over, oh, oh, oh, mm-hmm, mm-hmm  
You know I'm not just anyone, I gotta  
Fly shit only, we do what we wanna (Ayy)  
Like, "Who is that" (Uh)  
I mean this  
Well, the only question is (Yeah)

If I seduce you, bae  
Will you come take the bait?  
Is you gon' do that thing?  
That makes me wanna say (Wanna say)  
Got me like, ooh  
Every time we do it like, ooh  
Rockin' my body like, ooh  
Baby, let me get mine (Ooh-ooh, ooh, ooh-ooh, ooh)

She wanna ride me while she smoke weed  
She said, "Keep your chains on while you choke me" (La-la-la, la-la-la, ooh)  
She tell me, "Ring my phone up" (Yiy, yiy, yiy, yiy)  
Girl, I didn't know, where you wanna go?  
'Rari go fast and I know you like it  
You tell me beat it up slow, 'til you want more  
Now you on the floor, tellin' me to go fast  
Can you keep it on the low, low, low, low, low, low, low, low?  
Low, low, low, low, low, low, low, low

If I seduce you, bae  
Will you come take the bait?  
Is you gon' do that thing?
