

Settle Down

Russ

Uh, please don't you ask me if you think what I'm doing is right
'Cause even if I'm wrong I'll be gone, I'll be gone my whole life
Mom said "Settle down, settle down, settle down, settle down settle d
own"
Mom said "Settle down, settle down, settle down, settle down settle d
own"

Let's just take a step back (Back, back)
As we sip on this cognac (Gnac, gnac)
We don't know what, what we're doing
We don't know what, what we're doing
So let me hear my name (Name)
Don't you worry 'bout a fucking thing (Thing)
'Cause I know what I'm doing
'Cause I know what I'm doing

Uh, I say please don't you ask me if you think what I'm doing is righ

'Cause even if I'm wrong I'll be gone, I'll be gone my whole life
Mom said "Settle down, settle down, settle down, settle down settle d

Where are you going?
Why are you leaving?
You know that you know me
As soon as you leaving, woah
You told me your secret, oh
I didn't even believe it, so
I know I was wrong to begin
But listen to my songs make amends (Uh)

Uh, I say please don't you ask me if you think what I'm doing is righ
t
'Cause even if I'm wrong I'll be gone, I'll be gone my whole life
Momma said "Settle down, settle down, settle down, settle down settle

Yeah, I swear to God I'm thrown off a couple different liquors
Four to be exact
And I still think my sister is in kindergarten
Even though she's 'bout to drive cars
Test drive my dad's Cadillac (Yeah)
My God, where the fuck did time go? (My mind's blown)
I remember when you was a knee high (High, damn)
Now you out in high school tryna just get by (Ooo)
Uh, my [?]

Uh, I say please don't you ask me if you think what I'm doing is right (Yeah)
