

Sorry

Russ

Can't believe I had you girl I knew it
Can't believe I had you then I blew it
Tell me what to do and I'ma do it
Can't believe I had you then I blew it
Can't believe I had you girl I knew it
Can't believe I had you then I blew it
Tell me what to do and I'ma do it
Can't believe I had you then I blew it

I can't blame you if you're done with this, I know I fucked up
You feel disrespected, I can't even argue, you was
I don't blame you, I call and you ain't pickin' it up
But fuck, I'm sorry
I'm sorry, I'm sorry, I'm sorry, I'm sorry
I'm sorry, I'm sorry, I'm sorry, I'm sorry

Can't believe I had you girl I knew it
Can't believe I had you then I blew it
Tell me what to do and I'ma do it
Can't believe I had you then I blew it
Can't believe I had you girl I knew it
Can't believe I had you then I blew it
Tell me what to do and I'ma do it
Can't believe I had you then I blew it

Yeah, I got you feelin' stupid
Broken and confused with where the situation's movin'
I apologize, I blew it, but I'm still hopeful 'cause that's all
I got
I say I'm here to show you that you all I want, that's all you
want
I hurt your feelings though, I hate that I didn't count them
I hate that other women gonna think this song's about them
I hate I added pressure to your shoulder blades
I hate I did you cold, told you you could put your coat away
I'm sorry, I'm sorry, I'm sorry, I'm sorry
I'm sorry, I'm sorry, I'm sorry, I'm sorry

Can't believe I had you girl I knew it
Can't believe I had you then I blew it
Tell me what to do and I'ma do it
Can't believe I had you then I blew it
Can't believe I had you girl I knew it
Can't believe I had you then I blew it
Tell me what to do and I'ma do it
Can't believe I had you then I blew it
