

Star

Russ

Give a fuck what people say, and I'm a star now
Got my whole family houses and cars now
I don't care what it is, put my card down
I'm good for it dawg, trust me, I'm a star now

People give me 'Raris just to whip
I'm sorry, didn't know she was your chick, dang
Bitch we on vacation, don't trip
Got a bottle of everything, get lit, aye, uh
Two pretty women in the pool
That's enough for me, not enough for you
Someone pour the Bumbu, show me what that tongue do

Give a fuck what people say, and I'm a star now
Got my whole family houses and cars now
I don't care what it is, put my card down
I'm good for it dawg, trust me, I'm a star now

Aren't you tired of hatin' yet?
Oh you made 'cause you ain't make it yet, haha
That ain't gonna stop shit dawg
Still went ahead and got rich dawg
The robe Margiela, the hoes Nutella
I won't tell her if you don't (Ha)
It's the hot wheel racer, the bad bitch taker
Spaceship's garage look like Pluto (Hahahahaha)

Give a fuck what people say, and I'm a star now
Got my whole family houses and cars now
I don't care what it is, put my card down
I'm good for it dawg, trust me, I'm a star now
