

The Wind

Russ

Proved it to you and I proved it to me
Yeah, I came a long way, yes, indeed
This isn't luck, this is pure perseverance
I came a long way, yes, indeed
I had my doubts, I'm ashamed to admit
But I realize now I am the one
My faith recessive but I invested
In myself, watch me become

The wind (Watch this, watch this)
The wind (Watch this, watch this)
The wind (Watch this, watch this)
The wind (Watch this, watch this)

Yeah
I need ultimate focus, I'm talkin' damn near hypnosis
To reach my upmost potential and fill the holes in my soul
It's somethin' I owe to the kid in me, didn't know he was broken
And every win for me is really givin' hope to the hopeless
The podium is my booth, I can never be silenced
And my connection with myself is my strongest alliance
Watch me elevate beyond the point you said was my highest
And I don't care if it gets dark 'cause that's when I shine my brightest, fo
r real

(For real)
(Shit)
(Y'all thought)
(Tuh)
Two, yeah

Proved it to you and I proved it to me
Yeah, I came a long way, yes, indeed
This isn't luck, this is pure perseverance
I came a long way, yes, indeed
I had my doubts, I'm ashamed to admit
But I realize now I am the one
My faith recessive but I invested
In myself, watch me become

The wind (Watch this, watch this)
The wind (Watch this, watch this)
The wind (Watch this, watch this)
The wind (Watch this, watch this)

Time and time again, I'm provin' that I can't be fucked with
I'm resilient plus the universe is somethin' that I'm one with
To the bully in me swingin', yellin', "Yeah, right" (Yeah, right)
I beat 'em with love, I told 'em, "Yeah, right" (Yeah, right)
Gotta prove me wrong and prove myself right (Myself right)
Can't happen 'til I get myself right (Myself right)
The anxiety of it if I'm gonna make it as a whole but in order to evolve, I
gotta let go

Proved it to you and I proved it to me
Yeah, I came a long way, yes, indeed
This isn't luck, this is pure perseverance

I came a long way, yes, indeed
I had my doubts, I'm ashamed to admit
But I realize now I am the one
My faith recessive but I invested
In myself, watch me become

The wind (Watch this, watch this)
The wind (Watch this, watch this)
The wind (Watch this, watch this)
The wind (Watch this, watch this)

It was you all along
It was you all along
You had it the whole time
You had it the whole time
It was you all along (You all along)
It was you all along (You all along)
You had it the whole time
You had it the whole time, whole
