Russ

Ran up 100 million off of music  
You can call HSBC, they can prove it  
Did this shit my way  
Sometimes I be thinking very black and white  
But the Maybach is alpine grey  
Fire every Friday, I got the game smokey  
I'm Italian, they be tryna box me in like Bertolli  
If you know me, you know I was never lazy, Forest Whitaker  
Out in Saint Barths my mom prays to Saint Christopher

Secured perimeter  
Courtesy of armed guards  
When you make it, all your haters really think they're Nardwaur  
Digging through your past, tryna find something  
Feel how you wanna feel, just hit that "Subscribe" button

'Cause I'm not slowing down, properties in coastal towns  
I came in with baggage but at least it's all RIMOWA now  
I damn near did it all  
'Cause I spoke like I was casting spells like Grindewald  
We had shih tzu's, I believed in me since I was little, dog  
Used to ask for Lincoln logs  
Now I'm Santa for my family, my whole catalogue is Christmas songs

So Feliz Navidad  
5k for this yellow jacket, I should play at Bobby Dodd  
Used to ride MARTA, North Springs to Peachtree Center  
Was taking classes but I felt like I could teach me better  
But no one taught me how to trust help  
Matchbox 20s, I was lit but I was unwell

Deep sorrow, on a private jet to Teterboro  
The only thing better than me is me tomorrow  
Used to eat Sbarro, food court was luxury  
Now I might go and fly to Budapest just 'cause I'm hungry  
Gold cutlery, my maids gotta hand wash 'em  
Used to send emails like "Aye, I'm the future like Sam Altman"  
Now a flight feels like an Uber ride  
How'd I beat the game without looking at the user guide?
