Sorry

Russell Dickerson

Girl, I wanted to apologize for the way I've been acting lately
I been doing all kinds of things
I probably just drive you crazy
Gotta get it off my chest
Oh, and it just can't wait
It's something I ain't told you yet
Baby, I just gotta say

Girl, I'm sorry
For kissing you in front of everybody
For saying that we should leave the party
As soon as we walk in it
Have you out of that dress in a minute
You hate it when I say it
You're so beautiful you oughta be famous
My bad
Go ahead, you can blame it on me
If I love you too much, I'm sorry, yeah

Sorry for coming home early
When I was out with the boys downtown
But there ain't nothing I rather do
Than come home and lay you down
'Cause, baby, you're so perfect
I can't get you off my mind
So if I miss you
Gotta kiss you like a thousand times

Oh, I'm sorry
For kissing you in front of everybody
For saying that we should leave the party
As soon as we walk in it
Have you out of that dress in a minute
You hate it when I say it
You're so beautiful you oughta be famous
My bad
Go ahead, you can blame it on me
If I love you too much, I'm sorry, yeah

'Cause I want you
And I need you
If I tell you too much
Then I just gotta say it
I'm sorry
Mhm, I'm sorry

I'm sorry
For kissing you in front of everybody
For saying that we should leave the party
As soon as we walk in it
Have you out of that dress in a minute
You hate it when I say it
You're so beautiful you oughta be famous
My bad
Go ahead, you can blame it on me
If I love you too much, I'm sorry, yeah

```
Sorry, sorry
Sorry
If I love you too much, I'm sorry, yeah
Sorry, sorry
Sorry
If I love you too much, I'm sorry
```
