

Steal My Summer

Russell Dickerson

I'm a six string, six pack, gate down, park back on some no name road, yeah
You're a two piece, umbrella drink, sun sinkin' down on some white sand coas
t, woah

As quick as you came you probably be gone
You probably got better things going on

But you could steal my summer, ay
Steal a kiss in my favorite fake Ray Ban's
'Cause I don't wanna waste another
Every sun soaked second, baby, wreck my plans
'Cause I wanna hold you even if you're slippin' through my fingers like sand
Girl, if you wanna, yeah
You could steal my, you could steal my
You could steal my summer

Kiss me up and down this little town 'til you're all I think about and you'r
e everywhere, yeah
Leave your tank top in the truck bed, your lipstick on a blue can, rollin' r
ound back there, oh, oh yeah

Maybe it's a flash in a firework sky
Maybe it'll last for the rest of our lives
It's gon' hurt but I ain't gon' mind, no
Girl, I dare you to try

Come on and steal my summer, ay
Steal a kiss in my favorite fake Ray Ban's
'Cause I don't wanna waste another
Every sun soaked second, baby, wreck my plans
'Cause I wanna hold you even if you're slippin' through my fingers like sand
Girl, if you wanna, yeah
You could steal my, you could steal my
You could steal my summer

(Steal my, steal my)
(Steal my, steal my, summer, yeah)
It was just you and me, baby, right from the start
And for three months we were never apart
If you break my heart, just know I'll be fine
But we'll keep the summer the rest of our lives

Could be a flash in a firework sky
Maybe it'll last for the rest of our lives
It's gon' hurt but I ain't gon' mind, no no

Come on and steal my summer, ay
Steal a kiss in my favorite fake Ray Ban's
'Cause I don't wanna waste another
Every sun soaked second, baby, wreck my plans
'Cause I wanna hold you even if you're slippin' through my fingers like sand
Girl, if you wanna, yeah
You could steal my, you could steal my
You could steal my summer

(Steal my, steal my)
You could steal my, steal my, steal my summer yeah

(Steal my, steal my)
You could steal my, steal my, steal my summer yeah
