

Don't You Want Me

Russian Red

You were working as a waitress in a cocktail bar
When I met you
I picked you out, I shook you up and turned you around
Turned you into someone new

Now five years later on you've got the world at your feet
Success has been so easy for you
But don't forget, who put you where you are now
And I can put you back down too, down too

Don't, don't you want me?
You know I can't believe it when I hear that you won't see me
Don't, don't you want me?
You know I don't believe you when you say that you don't need me
Don't need me, don't need me, don't need me...

Don't you want me, baby?
Don't you want me, oh...?
Don't you want me, baby?
Don't you want me, oh...?

Don't, don't you want me?
You know I can't believe it when I hear that you won't see me
Don't, don't you want me?
You know I don't believe you when you say that you don't need me
Don't need me, don't need me, don't need me...

Don't you want me, baby?
Don't you want me, oh...?
Don't you want me, baby?
Don't you want me, oh...?
Don't you want me, baby?
Don't you want me, oh...?
Don't you want me, baby?
Don't you want me, oh...?
