

I Want to Break Free

Russian Red

I want to break free
I want to break free
I want to break free from your lies
You are so self satisfied I don't need you
I want to break free
God knows, God knows I want to break free

I've fallen in love
I've fallen in love for the first time
But this time I know it's for real
I've fallen in love
God knows, God knows I've fallen in love

It's strange but it's true
I can't get over the way you love me like you do
But I have to make sure
When I walk out that door
Oh how I want to break free
Oh how I want to break free
Oh how I want to break free

And life still goes on
I can't get used to living without, living without
Living without you by my side
I don't want to live alone
God knows, got to make it on my own

I have to break free
I want to break free
I want to break free
I want to break free
