

# Screaming Infidelities

Ruston Kelly

I'm missing your bed, I never sleep  
Avoiding the spots where we'd have to speak  
And this bottle of beast is taking me home  
I'm cuddling close to blankets and sheets  
You are not alone, you're not discreet  
Make sure I know who's taking you home

I'm reading your note over again  
There is not a word that I comprehend  
Except when you signed it:  
"I will love you always and forever"

Well, as for now I'm gonna hear the saddest songs  
Sit alone and wonder, how you're making out  
And as for me I wish that I was anywhere with anyone  
Making out

I'm missing your laugh, how did it break?  
When did your eyes begin to look fake?  
I hope you're as happy as you're pretending  
I'm cuddling close to blankets and sheets  
And I am alone in my defeat  
I wish I knew you were safely at home

I'm missing your bed, I never sleep  
Avoiding the spots where we'd have to speak  
And this bottle of beast is taking me home

Well, as for now I'm gonna hear the saddest songs  
And sit alone and wonder, how you're making out  
And as for me I wish that I was anywhere with anyone  
Making out

Your hair, it's everywhere  
Screaming infidelities, taking its wear  
Your hair, it's everywhere  
Screaming infidelities, taking its wear  
Your hair, it's everywhere  
Screaming infidelities, taking its wear  
Your hair, it's everywhere  
Screaming infidelities, taking its wear
