

# Slide

Ruston Kelly

Could you whisper in my ear  
The things you wanna feel?  
I'd give you anything to feel it coming  
Do you wake up on your own  
And wonder where you are?  
You live with all your faults

I wanna wake up where you are  
I won't say anything at all  
So why don't you slide?  
Yeah, slide

Don't you love the life you killed?  
The priest is on the phone  
Your father hit the wall  
Your ma disowned you  
Don't suppose I'll ever know  
What it means to be a man  
It's something I can't change  
I'll live around it

I wanna wake up where you are  
I won't say anything at all  
So why don't you slide?  
Slide  
Yeah

And I'll do anything you ever dreamed to be complete  
Little pieces of the nothing that fall  
Oh, May  
Put your arms around me  
What you feel is what you are, and what you are is beautiful  
Oh, May  
You wanna get married  
Or run away?

I wanna wake up where you are  
I won't say anything at all

And I'll do anything you ever dreamed to be complete  
Little pieces of the nothing that fall  
Oh, May  
Put your arms around me  
What you feel is what you are, and what you are is beautiful  
Oh, May  
You wanna get married  
And run away

Put your arms around me  
What you feel is what you are, and what you are is beautiful  
Oh, May  
You wanna get married  
Or run away?

I wanna wake up where you are  
I won't say anything at all  
So why don't you slide?
