

Somebody Touched Me

Ruth Brown

(Bop-ba-do, bop-ba-do-be-do)

(Bop-by-do, bop-ba-do-be-do)

You gotta get the rhythm if you're gonna rock

You gotta get a-movin' and don't stop

Here we go

Oh, here we go

Oh, here we go (here we go!)

Well, somebody touched me, in the dark last night

Yeah, somebody touched me, in the dark last night

Well, somebody touched me in the dark last night

Well, moved me when she held me tight

Oh who (who) who (who) who in the dark last night?

Last night, a stranger (stranger) took my hand (took my hand)

Last night, a stranger (stranger) took my hand (took my hand)

Well, last night a stranger took my hand

She said, 'You'll be my lovin' man'

Oh who (who) who (who) who in the dark last night?

(Bop-ba-do, bop-ba-do-be-do)

(Bop-by-do, bop-ba-do-be-do)

Now you got the rhythm so don't stop

We gonna move on with a roll and rock

Here we go

Oh, here we go

Oh, here we go

(Here we go!)

Well, somebody made me fall in love last night

Yeah, somebody made me fall in love last night

Well, somebody made me fall in love

Sets my heart and soul above

Oh, who (who) who (who) who in the dark last night?

Last night, a stranger (stranger) took my hand (took my hand)

Last night, a stranger (stranger) took my hand (took my hand)

Well, last night a stranger took my hand

She said, 'You're gonna be my lovin' man'

Oh who (who) who (who) who in the dark last night?

Oh-wah-oh, oh-wah-oh (do-be-ooo)

Oh-wah-oh, oh-wah-oh (do-be-ooo)

Oh-wah-oh, oh-wah-oh (do-be-ooo)

Oh wah-oh, oh-wah-oh (do-be-ooo)
