

Teardrops

Ruth Brown

Teardrops will fall because of you,
Teardrops will fall for only you
I want you so, oh you'll never know how much I need you.

Teardrops will fall if you don't need me,
Teardrops will fall oh please believe me
I want you so, oh you'll never know how much I need you.

As long as there's a moon above
There will be the two of us
If you and I were meant to be
Tell me you love me and I'll be your only. (Teardrops will fall
)

Teardrops will fall don't run and hide,
Teardrops will fall stay by my side
I want you so, oh you'll never know how much I need you.

As long as there's a moon above
There will be the two of us
If you and I were meant to be
Tell me you love me and I'll be your only. (Teardrops will fall
)

Teardrops will fall don't run and hide,
Teardrops will fall stay by my side
I want you so, oh you'll never know how much I need you.

Teardrops (will fall), oh teardrops (will fall),
Oh yeah, teardrops (will fall), teardrops (will fall),
Tear, tear (will fall), teardrops (will fall)
