

# This Little Girl's Gone Rockin'

Ruth Brown

I wrote my mom a letter  
And this is what I said

Well-a, well-a, well-a, well-a  
I washed all the dishes  
And I did a lot more  
I even bought the dinner  
At the grocery store

Now, Mom, you'll find  
The key next door cause  
This little girl's gone rocking

I left some biscuits for the pup  
I put fresh water in his cup  
And now I'm off  
I'm gonna live it up cause  
This little girl's gone rocking

Well, I'm be home about  
Twelve tonight and not a  
Minute, minute, minute later  
Don't forget the front door lock  
That's all for now  
I'll see you later, mater

You'll find these things  
That you wanted done  
I'm off to meet that special one  
Boy, oh, boy, will we have fun  
Cause this little girl's gone rocking

Well, I'm be home about  
Twelve tonight and not a  
Minute, minute, minute later  
Don't forget the front door lock  
That's all for now  
I'll see you later, mater

You'll find these things  
That you wanted done  
I'm off to meet that special one  
Boy, oh, boy, will we have fun  
Cause this little girl's gone rocking  
Yeah, this little girl's gone rocking.....
