

## Cold Water

RuthAnne

Everybody gets high sometimes, you know  
What else can we do when we're feelin' low?  
So take a deep breath and let it go  
You shouldn't be drowning on your own

And if you feel you're sinking, I will jump right over  
Into cold, cold water for you  
And although time may take us into different places  
I will still be patient with you  
And I hope you know

I won't let go  
I'll be your lifeline tonight  
I won't let go  
I'll be your lifeline tonight

'Cause we all get lost sometimes, you know  
It's how we learn, it's how we grow  
And I wanna lay with you 'til I'm old  
You shouldn't be fighting on your own

And if you feel you're sinking, I will jump right over  
Into cold, cold water for you  
And although time may take us into different places  
I will still be patient with you  
I hope you know

I won't let go  
I'll be your lifeline tonight  
I won't let go  
I'll be your lifeline tonight
