

# Honey

RuthAnne

And it's just like honey  
When your love comes over me  
Oh baby I've got a dependency  
Always strung out for another taste of honey

It's like honey when it washes over me  
You know sugar never ever was so sweet  
And I'm dying for you cryin' for you I adore you  
One hit of your love addicted me  
Now I'm strung out on you  
Darlin' don't you see  
Every night and day  
I can hardly wait for another taste of honey

Honey I can't describe  
How good it feels inside  
Honey I can't describe  
How good it feels inside

Honey you can have me when you want me  
If you simply ask me to be there  
And you're the only one who makes me come running  
Cause what you got is far beyond compare

And it's just like honey  
When your love comes over me  
Oh baby I've got a dependency  
Always strung out for another taste of your honey

It's like honey when it washes over me  
You know sugar never ever was so sweet  
And I'm dying for you cryin'  
For you I adore you  
One hit of your love addicted me  
Now I'm strung out on you  
Darlin' don't you see  
Every night and day  
I can hardly wait for another taste of honey

Honey I can't describe  
How good it feels inside  
Honey I can't describe  
How good it feels inside  
I can't be elusive  
With you honey  
Because it's blatant  
That I'm feeling you  
And it's too hard for me  
To leave abruptly  
Cause you're the only thing  
I wanna do

And it's just like honey  
When your love comes over me  
Oh baby I've got a dependency  
Always strung out for another taste of honey

Strung out for another taste of honey
