

Resilient Bastard

RVIVR

And the script reads,
"Your name right here,
says something rude to me,
rude to me, rude to me"
I don't think about it
I don't linger on it
rude to me, rude to me, rude to me
I'm not hurt, I'm a resilient bastard
I'm okay, I'll wait another day
I'm not scared, I'm just unaware
or I just don't care
And the book reads,
"My name right here,
says something stupid again"
I don't think about it
I don't linger on it
stupid, stupid, stupid
I'm not hurt, I'm a resilient bastard
I'm okay, I'll wait another day
I'm not scared, I'm just unaware
or I just don't care
I'm not hurt, I'm a resilient bastard
I'm okay, I'll wait another day
I'm not scared, I'm just unaware
or I just don't care
