Okay

Late night, anime all on my phone screen  
Only watching hentai, if I'm lonely  
I think I'm bout to catch up on a series I just started  
Bout a kid who killing demons cause his fam was just a target, woo!

This is, so crazy, bout to turn up, got a HD  
Everybody, say they hate me, cause I watch it, on a daily  
Like "oh no! ", gotta stop it, watch kono, like Itachi  
My mask on, like Kakashi, your fam dead, I'm Itachi

Pull up to the party, two [?] I got em with me  
Lady Tsunade, got a body, and she tryna tempt me  
But I can't do that to Jiraiya, he the fucking homie  
And if you think I'd double-cross him, you don't even know me

I be tryna get a bag, I be tryna get a fast  
Fortnite, World Cup, I will never finish last  
I'm a beast, I'm a pro, I'm a weeb man  
Turn me to a body pillow, then I'd be a freeman

I am not a wannabe, my country's song is [?]  
If you are not an anime girl, can you please get off of me  
I'm bagel, you a poppy seed, I never give apologies  
I never try to talk to you, so never come and talk to me (thank you)
