

Don't know why I'm so high  
Flowers bloom then they die  
Don't know why I'm so high  
Flowers bloom then they die  
I'm tryna find my way back down this road  
I fall in love so much, outta my control (out of my control)  
Don't know why (don't know why) I'm so high (I'm so high)  
Flowers bloom (yeah they bloom) then they die, I

Lotta people wanna ego me  
Cut 'em off and then they peephole me  
Wanna ask what I did last night  
New girl's on her knees, holy  
That'll last for a week, no sleep  
If I do then she gon' cheat low-key  
Asking why, she got no reason  
But it seems like that  
Percy really got her geeked up  
Keep it moving, never freeze up  
She been golden like she Frieza  
Word to Tecca, she a diva  
I could blow up off a feature  
But that would turn me to a creature  
Who doesn't do the second verse then  
Complains that he don't really need one, need one  
Yeah, I been up late night tryna get cake  
But that shit never bake right, Stu at the crib  
Fuck it, I don't need to take flights out to LA  
But I'll do it if I make time  
Shout to D Kush, man that boy in the daylight  
Head in the clouds like I'm Hayd, I done changed life  
No Jonah K, we in Spain sipping great wine  
Can't forget J, if they hate gotta say goodbye, I

Don't know why I'm so high  
Flowers bloom then they die  
Don't know why I'm so high  
Flowers bloom then they die  
I'm tryna find my way back down this road  
I fall in love so much, outta my control (out of my control)  
Don't know why (don't know why) I'm so high (I'm so high)  
Flowers bloom (yeah they bloom) then they die, I
