

# ghost inside my head

Rxseboy

Lately, I've been dreaming  
Upon a ghost inside my head  
Strange things I've seen  
Tryna fall in love with her tonight

There's a ghost inside my head  
All my feelings left for dead  
No reciprocation  
Kept me waiting  
Patient in my bed  
I used to search inside my dreams  
Now, my dreams are filled with dread  
And if I look behind the scenes  
Then will it be what I'd expect?

I told your family that I would care for you  
Accept you and be there for you  
Until you went and buried me  
Alive inside a scary truth  
The psychological abuse  
A path that I don't wanna choose  
My mind is getting haunted  
By the constant fucking thought of you

Lately, I've been dreaming  
Upon a ghost inside my head  
Strange things I've seen  
Tryna fall in love with her tonight

There's a ghost inside my head  
And I can't ever seem to shake  
Lie awake, 'cause if I close my eyes  
I always see you naked  
This ain't how it's supposed to be  
I don't know if I can take it  
I just wanna be the one for you  
Sadly now you're taken

I can't accept the simple fact  
That you deleted all your posts with me  
I'm hopelessly devoted  
To someone who says they're over me  
I wonder, did you think of him  
When you were out here holding me  
I'm sat here with your ghost  
While you decide to keep on ghosting me

Lately, I've been dreaming  
Upon a ghost inside my head  
Strange things I've seen  
Tryna fall in love with her tonight

Lately, I've been dreaming  
Upon a ghost inside my head  
Strange things I've seen  
Tryna fall in love with her tonight
