

## i don't care

Rxseboy

I don't care about drugs when I'm with you  
I don't feel like I'm lost when I'm with you  
As long as I'm with you I got it

Thank god you found me, I was lost and drowning  
'Fore you pulled me out, I was in the deep end  
Broke and surrounded, down on the ground  
The weight felt like mountains  
But then you were my ecstasy, my amphetamine  
When I need it baby you know  
That I don't need dopamine 'cause you make me feel  
Like I'm not so alone

I don't care about drugs when I'm with you  
I don't feel like I'm lost when I'm with you  
As long as I'm with you I got it

Body like drugs and I'm so addicted  
I'm a nicotine fiends for your lips, I'm wishing  
You were here right now, wanna close that distance  
I'm Mario without that Peach girl, I'm tripping  
The way you move, it just gets me high  
You in a movie girl, that's my vibe  
You like Jenna Ortega on a Wednesday night  
When that weekend hits me on the blinded lights, come on  
I don't care about  
Anything unless you're here with me  
When you touch me girl I get tipsy  
Drunk in love but it's you I'm sipping  
Get up get up, come take me higher  
Get out get out of your attire  
Mess up, your hair is fine  
We on ten at night with no end in sight

I don't care about drugs when I'm with you  
I don't feel like I'm lost when I'm with you  
As long as I'm with you I got it  
I don't care about drugs when I'm with you  
I don't feel like I'm lost when I'm with you  
As long as I'm with you I got it
