

# It's A Beautiful Day

Rxseboy

I don't wanna act too high and mighty  
Cause tomorrow I may fall down on my face  
Lord, I thank You for sunshine  
Thank You for rain  
Thank You for joy  
Thank You for pain  
It's a beautiful day  
It's a beautiful day

Yeah, good day when I'm waking up  
Whole lot of people I don't thank enough  
I don't focus on the hate and stuff  
I just wanna chill out tryna stay in love  
With the one who picks me up whenever I fall  
One who stays in touch whenever I call  
I don't care for the beef take her time off  
I don't wanna put a fist in a dry wall  
Cleaning up big time with the pine songs  
Top of the charts how they speaking of my dawgs  
Say it's a wrap so I strike like a python  
Need go and chat to the world that I'm on  
Through the rain when the roads get muddy  
In the storm where the truth gets ugly  
In the end wonder who gon' trust me  
Wait for the sun in a world so lovely

It's a beautiful day  
It's a beautiful day  
It's a beautiful day  
It's a beautiful day

Shining so bright it's a beautiful day  
Smiling wide in a beautiful way  
I would never go back to that cubicle pay  
I would rather be broke than alive in a grave  
Where dreams die  
Everybody here needs time  
In the city of the seaside  
We've been busy in the beehive  
Going senile

Lord, I thank You for sunshine  
Thank You for rain  
Thank You for joy  
Thank You for pain  
It's a beautiful day  
It's a beautiful day

Lord, I thank You for sunshine  
Thank You for rain  
Thank You for joy  
Thank You for pain  
It's a beautiful day  
It's a beautiful day

Work hard, get paid  
Own boss, sensei

Live life I press play  
Won't back down I test fate  
Work hard, get paid  
Own boss, sensei  
Let's rejoice for our best days  
And we kings now like chess games

It's a beautiful day  
It's a beautiful day  
It's a beautiful day  
It's a beautiful day

Shining so bright  
It's a beautiful day  
Smiling- smiling, smile- ay  
Shining so bright  
It's a beautiful day  
Smiling- smiling, smile- ay  
Where dreams die  
Alive in the grave  
Where dreams die  
Where dreams die  
Alive in the grave  
Where dreams die

Lord, I thank You for sunshine  
Thank You for rain  
Thank You for joy  
Thank You for pain  
It's a beautiful day
