

Need Me

Rxseboy

La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la

Say that you need me
I'll be there in a heartbeat
I don't mean to sound freaky
But you know what I mean
If you don't think I'm worth it
I'll try to be perfect
You know that I'm on it
For you only you

Oh my, she's a dime
I cannot even lie
Wanna give you my all
But I'm scared you'll decline
Say that you need me
I'll be there in a heartbeat
I don't mean to sound freaky
But you know what I mean

I thought I was hopeless
Now you are my focus
I swear that I'm all in
I guess I'm falling
Falling for you (falling for you)
Kept dreaming of you (dreaming of you)
My eyes are on you (eyes are on you)
She said

Say that you need me
I'll be there in a heartbeat
I don't mean to sound freaky
But you know what I mean
If you don't think I'm worth it
I'll try to be perfect
You know that I'm on it
For you only you

I know that you want perfection
But that's too hard, it's all perception
Swear that you could be the one
But I guess we don't share that connection
I'm running low on this energy and
You'll never know what you meant to me
I guess, I should probably give up
Like it's too late
Will you let me check in in a few days?
I'm obsessed, but it's not like that
I confess, that you're all I have
Yeah, locked heart never got that key
Wish I got one taste
But you look so sweet
Yeah, I want you girl
But you don't want me

So I write these songs
Like your all I, need

Say that you need me
I'll be there in a heartbeat
I don't mean to sound freaky
But you know what I mean
If you don't think I'm worth it
I'll try to be perfect
You know that I'm on it
For you only you

Oh my, she's a dime
I cannot even lie
Wanna give you my all
But I'm scared you'll decline
Say that you need me
I'll be there in a heartbeat
I don't mean to sound freaky
But you know what I mean

La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la (Say it aloud)
La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la
