

# Rewind

Rxseboy

Baby why do you play with me  
Are you too scared to say you're living a lie  
Frame me for all of the pain and grief  
And everything we have ever done

Baby girl, why'd you call my name  
Baby girl, do feel you the same  
Way about me  
As I feel for you  
Tell me are we going in circles  
I can feel your touch  
Every single night  
I still see you girl  
Running through my mind  
I still think of you  
Every single time  
I drive down the five

Baby I don't wanna kiss you  
Baby I don't want no issue  
Baby I don't wanna miss you  
But I do and that's the issue

So girl can we rewind  
Can we rewind time  
Can we rewind  
Can we rewind time  
Can we rewind  
Can we rewind time  
Can we rewind time  
Can we rewind

If I fall, gotta rewind  
I don't wanna do no dates in the meantime  
I don't wanna see your face, but you still mine  
Wait a sec, stop, never mind, throw a peace sign  
I'm going crazy, I know that you notice  
I might flood my AP with all this emotion  
Throwback when I didn't even know her  
Now I'm stuck to her side like a holster, wow  
Okay wait, say I don't like her, but I really wanna date  
Yep, no swiper, never steal anything  
'Cept her heart, for the jewels Imma just swipe a chase  
I'm in my bag, ain't nobody boutta steal this  
She liking how I make all my money off of real shit  
Think I love her 'cause she so damn fine  
If she really mess up, Imma just rewind

Baby I don't wanna kiss you  
Baby I don't want no issue  
Baby I don't wanna miss you  
But I do and that's the issue

So girl can we rewind  
Can we rewind time  
Can we rewind  
Can we rewind time

Can we rewind  
Can we rewind time  
Can we rewind time  
Can we rewind

Baby why do you play with me  
Are you too scared to say you're living a lie  
Frame me for all of the pain and grief  
And everything we have ever done
