Somebody stop the beat  
(Somebody stop the beat)  
I gotta place to be

(I'm never where they can see)  
And I do it gracefully  
Working like I'm on a macery

Said it once, said it twice  
Yeah, I'm so done  
I been tryna win at life but it's no fun  
Imma do it all again like a rerun  
And we gon smoke a couple pounds until the weed's done
