

It's All Over Now

Ry Cooder

Well, baby used to stay out, all night long
She made me cry and she did me wrong
She had my nose open, that's no lie
The table's have turned, now it's her turn to cry

Because I used to love her, but it's all over now
Because I used to love her, but it's all over now

Well, she used to run around with every man in town
She spent all my money trying to play that high class game
She put me down, it was a pity how I cried
The table's have turned, now it's her turn to cry

Because I used to love her, but it's all over now
Because I used to love her, but it's all over now

I used to wake up in the morning, get my breakfast in bed
Whenever I got worried, she would rub my aching head
But now she's here and there, with every man in town
Still trying to take me for that same old clown

Because I used to love her, but it's all over now
Because I used to love her, but it's all over now

Well, baby used to stay out, all night long
She made me cry and she did me wrong
She had my nose open, that's no lie
The table's have turned, now it's her turn to cry

Because I used to love her, but it's all over now
Because I used to love her, but it's all over now
Because I used to love her, but it's all over now
