Nobody's Fault But Mine

Ry Cooder

```
Nobody's fault but mine
Nobody's fault but mine
And well If I don't read my soul will be lost
And that's nobody's fault but mine

I got a bible in my home
I got a bible in my home
If I don't read my soul will be lost
And it's nobody's fault but mine

My mother taught me how to pray
My mother taught me how to pray
If I don't pray my soul will be lost
Nobody's fault but mine

Jesus taught me what to do
And Buddha taught me what to do
If I don't do right my soul will be lost
Nobody's fault but mine
I don't blame nobody

Nobody's fault but mine
Nobody's fault but mine
If I don't pray my soul will be lost
Nobody's fault but mine, yeah

Nobody's fault but mine
```
