

Somebody's Callin' My Name

Ry Cooder

You better hush, hush, hush, hush
Somebody's calling my name
Hush somebody's calling my name
Hush, hush, hush, hush

Somebody's calling my name
Crying oh my Lord, oh my Lord
What shall I do
What shall I do

Than you can call for you mother

But your mother can't do you no good
Call on your mother
Your mother can't do you no good

Call for your mother
Your mother can't do you no good
Crying oh my Lord, oh my Lord
What shall I do
What shall I do
