

Dark Room Dancing

Ry x

Tender feelings
Laid in circles
You and I in the corner
You and I in a dark room dancing
The meaning
Tied up like you
Looking in through the windows
Your touch is a comet vacant

Shadow even
Words fall quickly
You telling for my tongues
Your skin is against my body
I need it
All that healing
Now the fire has started
Nobody can stop us aging

Underneath it your broken eyes
A steady feeling
I need to talk
Got a new headen
Bear it against my skin
I wanna see you again
I wanna see you again

Hallucination, oh, I let you
My heart is breaking, oh, silent again
I wanna see you again
I wanna see you again
I wanna see you again

In the mourning light
When you laid me down
Wanna swim in you
In your body's sound
Can I hold you now
For a minute more
On an ageless town
On the kitchen floor

You and I in the corner
You and I in the corner
You and I in a dark room dancing
