

# Foreign Tides

Ry x

Under mane of night  
I remember  
When I held you tight  
We surrendered

Desire turn into my manner  
Open up my heavy eyes  
We're goin' to the bed, I'm ready  
Fall into the feelin'

Give it up, my love  
Let your world unravel  
Get your heart unfurled  
And my heart un-cable

As these moments come  
Part of feelin'  
Is my soul undone?  
You're still beating

Desire turn into my manner  
Open up my heavy eyes  
We're goin' to the bed, I'm ready  
Fall into the feelin'

Give it up, my love  
Let your world unravel  
Get your heart unfurled  
And my heart un-cable
