Fumbling Prayer

Ry x

To hide all the hands that tied me down
Hide this will, hide this will
Tied to sin to guard herself
Hide this will, hide this will

Feel cold
Speak out
Feel cold
Speak out

Convoluted to higher ground
Let me down, let me down
Tied to sin to guard herself
Let me down, let me down

Feel cold
Speak out
Feel cold
Speak out

Feel cold
Speak out
Feel cold
Speak out
