

## Lean

Ry x

You're not the boss of me  
I like the way you breathe in  
You're gonna master me  
But you're not the one I creed with

Turn off the lights and lean  
Turn off the lights and come back

One of us should concede  
One of us might be bleeding  
Hands only by your knees  
You like the one I seed with

Turn off the lights and lean  
Turn off the lights and come back

Turn off the lights and lean  
Turn off the lights and come back  
To come back  
To come back
