

# Thunder

Ry x

Lover, lover  
What have we done  
Let our heart leap  
Then it gave up

Lover, lover  
Let me in  
Make my heart leap  
Under your skin

Couldn't we both  
Try to say no  
Try to not reach  
For heaven

Tied to a post  
Tight like a rope  
Try to not reach  
For memories

Lover, lover  
What have we done  
We made our heart leap  
Then it gave up

Lover, lover  
Let me in  
Make my heart leap  
Under your skin

You came in the door like thunder  
Then hit the floor like thunder  
Laying me down you wonder  
Shaking the walls like thunder

You came in the door like thunder  
Then hit the floor like thunder  
Laying me down you wonder  
Shaking the walls like thunder

You came in the door like thunder  
Then hit the floor like thunder  
Laying me down you wonder  
Shaking the walls like thunder

You came in the door like thunder  
Then hit the floor like thunder
