Wanderlust

Ry x

One's you love
And hearts we're told
Oh, couldn't get us out

Boy and girl
And girl meets God
Oh, couldn't get us out

Young, on your lips
Their thrills
Spill me your love like pills

Wanderlust
Swims our blood

One's you love
And hearts were stoked
Oh, couldn't get us out

Boy and girl
And girl meets God
Oh, couldn't get us out
