

## You're Not Alone

Ry x

You're not alone, I'll wait 'til the end of time  
Open your mind, surely it's plain to see  
You're not alone, I'll wait 'til the end of time for you  
Open your mind, surely there's time to be with me  
Surely there's time to be with me

Surely there's time to be with me

In a way it's all, a matter of time  
I will not worry for you, you'll be just fine  
Take my thoughts with you, and when you look behind  
You will surely see a face that you recognise

You're not alone, I'll wait 'til the end of time  
Open your mind, surely it's plain to see  
You're not alone, I'll wait 'til the end of time for you  
Open your mind, surely there's time to be with me  
Surely there's time to be with me

Surely there's time to be with me  
Surely there's time to be with me  
Surely there's time to be with me
