

# Breakdown

Ryan Adams

Thorn in my side  
Pain I can't hide  
Diamonds that won't shine  
Oh, my soul is black as coal

Feel like I'm headed for a breakdown  
Feel like I'm headed for a breakdown  
Feel like I'm racing and I can't come down  
Feel like I'm headed for a breakdown

God, did he cry  
Tears that don't dry  
Tomorrow will come and it'll be alright  
Oh, my soul lost control

Feel like I'm headed for a breakdown  
Feel like I'm headed for a breakdown  
Feel like I'm racing and I can't come down  
Feel like I'm headed for a breakdown

Was I dreaming did I lose something in, in the night?  
Did I lose you? Did I lose you?  
Maybe I'm sleeping and in the morning I will only see the sunsh  
ine  
Did I lose you? Did I lose my mind?

Feels like I'm headed for a breakdown  
Feels like I'm headed for a breakdown  
Feels like I'm racing and I can't come down  
Feels like I'm headed for a breakdown

Feels like I'm headed for a breakdown  
Feels like I'm headed for a breakdown  
Feels like I'm racing and I can't come down  
Feels like I'm headed for a breakdown
