

# Champagne Supernova

Ryan Adams

How many special people change  
How many lives are living strange  
Where were you while we were getting high?  
Slowly walking down the hall  
Faster than a cannon ball  
Where were you while we were getting high?

Some day you will find me  
Caught beneath the landslide  
In a champagne supernova in the sky  
Some day you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova in the sky

Wake up the dawn and ask her why  
A dreamer dreams she never dies  
Wipe that tear away now from your eye  
Slowly walking down the hall  
Faster than a cannon ball  
Where were you while we were getting high?

Some day you will find me  
Caught beneath the landslide  
In a champagne supernova in the sky  
Some day you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova

'Cause people believe that they're  
Gonna get away for the summer  
But you and I, we live and die  
The world's still spinning 'round  
We don't know why  
Why, why, why, why

How many special people change  
How many lives are living strange  
Where were you while we were getting high?  
Slowly walking down the hall  
Faster than a cannon ball  
Where were you while we were getting high?

Some day you will find me  
Caught beneath the landslide  
In a champagne supernova in the sky  
Some day you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova

'Cause people believe  
That they're gonna get away for the summer  
But you and I  
We live and die  
The world's still spinning 'round

We don't know why  
Why, why, why, why

How many special people change  
How many lives are living strange  
Where were you while we were getting high?  
We were getting high  
We were getting high  
We were getting high  
We were getting high  
We were getting high  
We were getting high
