

Disappyramid

Ryan Adams

Battleship stations alert the armada
Enemy fighters located
We are now tracking them
Battleship stations
Pray to your gods
Prepare for attack
Some of us aren't coming back
Our planets under fire
Activate force fields
Disappyramid
Our planets under fire
Activate force fields
Disappyramid
Orion rebellion
Set the controls for the systems in Vega
Closest to system 81
The first armada
Is under fire
3000 pounds of lasers exchanged between the mobile suns
Our planets under fire
Activate force fields
