

# I Can't Remember

Ryan Adams

I lay awake at night and I cannot sleep  
I feel the darkness and the walls around me

Spinning like a merry-go-round in my head, in my head  
I can't remember anything that you said  
That you said

I lie awake at night and I see the sky  
It drenches fire so there's love in your eyes

Spinning like a merry-go-round in my head, in my head  
I can't remember anything that you said  
Spinning like a merry-go-round in my head, in my head  
I can't remember anything that you said  
I can't remember anything that you said  
I can't remember  
I can't remember

Spinning like a merry-go-round in my head, in my head  
I can't remember anything that you said  
Spinning like a merry-go-round in my head, in my head  
I can't remember anything that you said
