

I Don't Want to Know

Ryan Adams

Broken mirror at my feet
[?] and flickering
When the wolves cried out on the street
Is it laughter or defeat?
What is it that they are [?]

I don't want to know
I don't want to know
I feel weak but I can't let go
I don't want to know

Buzzing circles in my head
I'm my own worst enemy again
No one here will ever know
What it's like to be just following something to the unknown

And I don't want to know
Said I don't want to know
Cause I feel so weak, cause I feel so weak but I can't let go
And I don't want to know
I don't want to know
Know
I don't want to know
Know
