I'm Sorry

Ryan Adams

They're gonna forget us baby
So don't be so surprised
We can't run forever
Sometimes the feeling's disguised

Used to be funny, now it only makes me sad
To think of everything you know we could've had
All that I ever really did was make you mad
Made you so mad
I made you so mad

I'm sorry
I'm sorry
I'm sorry, I was wrong
Was wrong

It's so heavy these days
And shining in the past
I left it all forever
Only these shadows to cast

Used to be funny, now it only makes me sad
To think of everything you know we could've had
All that I ever really did was make you mad
I made you so mad
Used to make you so mad

I'm sorry
I'm sorry
I'm sorry, I was wrong
I was wrong
I'm sorry
I'm sorry
I'm sorry, I was wrong
I was wrong
Wrong

You gotta let it go
You gotta let it come around
You gotta let it go
To come around

I'm sorry
I'm sorry
I'm sorry, I was wrong
Wrong
I'm sorry
I was wrong
