Let It Burn

Ryan Adams

The sky is on fire
It's almost erased
What you were dreaming
You wouldn't say

Let it burn, let it burn

The sky is on fire
As you're walking
Hot like a mirror
Too scared to break

Let it burn, let it burn
Let it burn, let it burn

I'm on fire
Its the end of the day
Stand you beside me
Don't walk away

Let it burn, let it burn
Let it burn, let it burn
