

Mercy

Ryan Adams

Let's go outside today
And have a nice walk
Stare into the trees
Try and see what's [?]
Clouds are trying to move
It's like they play charades
Grateful for the blue sky
[?] Listen for the new day

Mercy
I need love
Ooh mercy
I need love
Oh

Let's go outside today
And go into the woods
Stare into space
Try to see a trace [?]
You never have to stay
Underneath the waves
Grateful for the blue sky
Listen for the new day [?]

Mercy
I need love
Ooh mercy
I need love
Ooh mercy
I need love
Mercy
I need love
Oh

Mercy
I need love
Ooh mercy
I need love
Ooh Mercy
I need love
Oh mercy
I need love
Oh
