

Pearls on a String

Ryan Adams

1, 2, 3

Blue eyes for miles
Pretty as a peach
Glorious kind and always on time
Never far outta reach
Tomorrow's on it's way
And there's always new songs to sing
Glorious kind, always on time
Pearls on a string

Soft, precious and easy
Under the sea
If you dive down far enough to the bottom
Look around and you will see
Tomorrow's on it's way
And there's always new songs to sing

Glorious kind, always on time
Pearls on a string
Glorious kind, and always on time
Pearls on a string

The sun shinin' down
The children laugh and play
Glorious kind, and always on time
Out there in the day
Tomorrow's on it's way
And there's always new songs to sing

Glorious kind, and always on time
Pearls on a string
Glorious kind, always on time
Pearls on a string
Glorious kind, always on time
Pearls on a string

Glorious kind, always on time
Pearls on a string
